STRATEGIC GOALS - 2020

GOAL 1 - CURRICULUM (NAG 1, 2, 3, 6, 7, 8)

Create, embed and sustain processes and expectations which will help build a culture of consistency schoolwide around teaching, learning, assessment and management of behaviour (PB4L).

GOAL 2 - CURRICULUM (NAG 1, 2, 3, 6, 7, 8)

Development of Manukorihi Intermediate curriculum which will reflect our unique needs and community in order to enhance the pedagogical and assessment practises across the school.

GOAL 3 - CURRICULUM (NAG 1, 2, 3, 6, 7, 8)

PRIME Maths - Continue to implement this programme schoolwide. Create formalised assessment and teaching practises to ensure students are making progress. Basic Facts to still be a focus, again aiming for 80% mastery from all students in the 4 areas.

GOAL 4 - STUDENT EMOTIONAL AND SOCIAL WELL BEING (NAG 1, 2, 3, 4a, 5, 6, 7)

Wellbeing of Staff and Students - To increase our awareness of how to be present, mindful and grateful in order to deal with issues when feeling challenged and to help lift overall resilience. To ensure that we are all able to articulate our needs during these times so that all members of our school are best supported.

We honour the Treaty of Waitangi by valuing and nurturing New Zealand's cultural heritage. The B.O.T. will provide opportunities in and through Te Reo and Tikanga Māori to the best of its ability, dependent upon staffing and financial resources. Whānau engagement is valued. We strive for Māori to achieve success as Māori.

Manukorihi Intermediate School is inclusive, diversity is celebrated and all learners' needs are supported to achieve to their full potential and develop as confident and competent emerging adolescents.

Waitara is a proud little town in the northern part of the Taranaki Region of New Zealand. The township is located just off State Highway 3.15km northeast of New Plymouth. It has a population of 7,040 people (Source: Census 2018). **Historically** Waitara was the site of the outbreak of the Taranaki Land Wars in 1860 following the attempted purchase of land for English Settlers from its Māori owners. Disputes over land that was subsequently confiscated by the Government continue to this day. The simplified meaning of the name Waitara is "To follow the dart" from the Māori legend where Whare Matangi set off from Kāwhia to find his estranged father Ngarue of Taranaki. **Present** Manukorihi Intermediate School, U4, decile 3, 280 students are currently enrolled at 1 March 2020 65% of our students identify as Māori and 3% as Pasifika. The Manukorihi Intermediate School student catchment area extends from Bell Block in the southwest to Mokau in the Northeast. Predominantly our feeder schools include; Huirangi School, Tikorangi School, Mimi School, Urenui School, Waitara Central, Waitara East and Lepperton School. We also provide Technology classes for Ahititi School, St Joseph's Waitara and Bell Block School. We currently have 16 teachers, 1 principal, 2 senior management, 6 support staff, 3 cleaners, 1 caretaker and 2 dental therapists who make up the team at our school.
